“ Pa,
...Your heart, your love, your soul, left this earth the day mom past away. You are now finally with the one you have longed for, for more than what seemed to be eternity to you.
....I will forever miss the time I got to share with you and spend with you. It was special, and I will hold it close to my heart forever. Cody and Lily will miss helping with your meals and making sure you got your meds, as needed.
...love you Dad. I will never forget the time I got to have you to myself. It's all mine, to keep and have forever.

“ Dad, it was so hard to see you without mom these past few years. You were never the same after she was gone as a big piece of your heart went with her. You are now together again for your final journey. I love you and miss you & so do my kids. I will carry you in my heart forever. Until we meet again Pa
